Monday Dec. 21 - Sunday Jan. 3 Christmas Holidays	
M (Jan 4)	• School Resumes

Ski Trip Money

All ski trip money is due on or before Monday Dec. 9. We cannot make any exceptions as we need to book rooms and reserve lift tickets.

"Success is the ability to go from one failure to another with no loss of enthusiasm."
Winston Churchill

Our virtue for next week is enthusiasm. Enthusiasm means having a positive attitude and looking forward to challenges as they emerge. We all like to be around enthusiastic people who have found their passion!

Junior High News

Thank you so much for taking the time to review your child's portfolio. The feedback you provide to them means a lot and it helps the students move forward in their learning. If you have not yet had the time to look through these and send them back to school, please do so as soon as possible.

Several junior high students have library books that have been overdue for some time. Mrs. Gooch has sent home overdue book slips that tell you the amount owing for the book.

Please look for the book and return it to the school or send the correct amount to replace the book.

In LA we have begun our Literature Circles. Every Thursday the students will meet in their groups.

They have chosen a certain number of chapters that must be read and an assigned activity must be completed for their role prior to each meeting. Please check with your child early in the week to ensure they have completed this required work. Have a wonderful weekend!

Mrs. Beagle

Student Turkey Dinner

On Monday December 14 our staff is planning a family-like sit down dinner for all students. We would like to remind you that this dinner is just for our students to enjoy a meal together. Our thanks to all the families who have contributed supplies and yummy stuff!

Grade 3/4 students explore wheels, gears and axles in science class.
