Th (4)	<ul style="list-style-type: none"> Gr.3/4 Reading Folders to school
F (5)	<ul style="list-style-type: none"> Gr.3/4 Spelling Test

"What we hope ever to do with ease, we must learn first to do with diligence."

Samuel Johnson

Diligence is the part of responsibility that is attentive to detail, shows care for a task and perseveres in the face of adversity. Diligence is hard-working, patient and thorough in completing the tasks that are assigned.

Haiti Earthquake Relief

Student Union Spearheads Efforts

Our Student Union would like to help the people of Haiti who were devastated by last week's earthquake. We will be setting up donation boxes at school and around the community. We encourage everyone to donate loose change for a good cause. All money raised will be donated to the Mennonite Central Committee who have an established presence in Haiti. Money raised will be matched by the Federal government (the MCC is one of the recognized charities eligible for Federal funds matching).

Basketball

Basketball season is well under way. Mr. Surmik and Mrs. Malmberg will be practicing with students and putting together a team. All Div 3 students have an opportunity to play. We will be scheduling games with Milo and Brant schools

My Inukshuk

The Inukshuk is an important symbol in the Inuit culture. Inukshuk means "likeness of a person" in Inuktitut. It is made by the Inuit to show direction to travelers, warn of danger, to mark a place of respect, or to aid in the caribou hunt. The Grade 1/2 class had a lot of fun making their own Inukshuks.

Roots of Empathy

The Roots of Empathy program got off to a great start last week. We met Mikaela and her mom Morgan. All the students were really surprised by all that Mikaela could do. She could roll over and make lots of sounds. We found out she likes to stand with Mom's help. We are looking forward to seeing her again.
