Grade 1/2 Butterflies

Over the past month the grade 1/2 class has been watching and studying the butterfly life cycle first-hand. Our larva arrived in early May and we watched as these tiny black caterpillars ate and grew to about 7 times their original size. We made observations about their growth in our butterfly journals. Then the caterpillars attached themselves to the lid of their tiny home.

They changed and formed a pupa. Inside something amazing was happening! About one week later the adult butterflies emerged from their chrysalis. We learned this change is called metamorphosis. We continued to watch as our butterflies started to fly around inside our big net and use their proboscis to drink sugar water. Finally, on Wednesday we released the

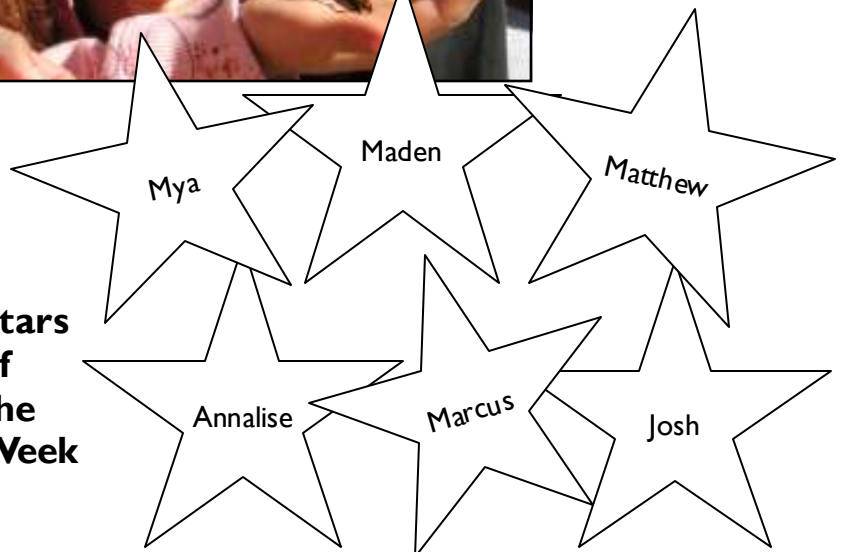

butterflies on our playground. They flew around, but some landed on our hands and on the dandelions growing in the grass. We know that these adult butterflies will lay eggs and the life cycle will continue.

“What is uttered from the heart alone, will win the hearts of others to your own.”
Johann Wolfgang von Goethe

A person who is considered honest is one who displays integrity, is genuine and not deceptive or fraudulent. Honesty is characterized by truth and sincerity. Honesty denotes the quality of being upright in principle and action. Honesty implies truthfulness, fairness in dealing with others, and refusal to engage in fraud, deceit, or dissembling.

Stars of the Week

2010-2011 Calendar

Our calendar for next year has been approved by our School Council and the Board of Trustees. A copy of next year's calendar is attached. Please note that our parents have opted to keep the traditional Easter Holiday break.

Year Book Order Form (2nd Notice)

Our yearbook is almost ready to go to press! Don't be disappointed, get your order form and \$25.00 in to us before Friday the 11th.

Library Books (2nd Notice)

All library books need to be returned by June 7! Please ask your child if she/he has any books out.

Congratulations!

Logan took first place in javelin at the Zone Track Meet in Medicine Hat last Wednesday. Awesome job Logan, way to go!

Elementary Track Meet

Last Tuesday, June 2 marked the date of the annual Track Meet. This year's meet was mega! By all accounts the students had a great time despite the chilly weather.

Over 300 students participated from many schools in the north part of Vulcan County. The meet was held at the CCHS field in Vulcan.

Our thanks go out to Mrs. Smith, Miss Williams and for organizing and coordinating this huge meet and to Mardi Scott and Mrs. Davis Forman for running the concession.

Jr. High Track Meet

Monday, May 31 was the rain delay date for the Jr. High Meet at the CCHS fields in Vulcan. Four of our students went on to Zone Finals in Medicine Hat. Thanks to Mr. Surmik for coordinating our team!
